

# BUFFALO *lowes*

# BEER

WITH A CURRENT ROSTER OF NEARLY 40 BREWERIES, Buffalo is overflowing with tasty suds. And with more brewery openings on the horizon in 2019, the city's craft beer wave shows no sign of receding.

This surge of 716-born pilsners, IPAs and porters has ushered in a bevy of only-in-Buffalo breweries. Where else could you

sip a cold one in the sunshine as ziplines cruise between decommissioned grain elevators? Or enjoy a brew with your grub from one of the largest food truck gatherings in the country? That's right — Buffalo, NY.

With this handy map, you won't miss a drop from Buffalo's best breweries. Cheers!
